ABOUT THE EVENT

HELP OUR COMMUNITY'S YOUTH

TPA's Charity Open House aims to raise money for KidSport Surrey / White Rock to help provide grants for kids from families facing financial barriers.

TPA is dedicated to helping our community's youth lead happier, healthier lives through physical education, community building, and helping provide access to organized activities. Every child deserves to stay active, have fun, and learn important life lessons and values through sports.

SUPPORT LOCAL BUSINESSES

Whether you're an individual or a business, community is essential to thrive. TPA believes in creating a community of local businesses that supports each other and flourishes. This event is an opportunity to grow your business via our community through referrals, shared marketing, and continued partnership opportunities.
